ORDER:

During the Departmental Coordination Committee meeting held on 16-10-2009, it was considered necessary to constitute a high level committee to review and direct the conservation and preservation of the Cultural Heritage of Andhra Pradesh. At present different departments are putting their best efforts in this direction but without any unity of action and without much impact. It was, therefore, found necessary that a high level Committee should sit and consider the various aspects of the rich cultural heritage of the State and give timely and appropriate directions to the District Collectors and other officers working under his overall supervision and control. If this step is not attempted right now, a lot of cultural heritage wealth available now may get ruined in course of time due to the rapid human settlements, uncontrollable urbanization and industrialization process. It is not out of place to state that many cultural sites of ancient periods are slowly encroached by land sharks and there is none to protect them effectively.

2. Government, therefore, after careful consideration of the entire matter hereby constitute the following Committee in order to conserve, preserve and protect the rich and varied cultural heritage of the State of Andhra Pradesh. This Committee shall meet once in three months and make appropriate recommendations to the Government in the above direction.
